remind

We are using "REMIND"!

Remind helps you stay connected with us

You are your child's first catechist. Student success depends on the support of networks that include parents, teachers, and other key stakeholders in their school communities.

To strengthen these partnerships, catechist and our REP Office are using Remind.

Remind is a free, safe messaging app that keeps families up to date with what's happening in the classroom.

These quick, simple messages can help you and your student stay informed about:

- Homework assignments
- Important announcements
- Schedule changes
- And more!

Remind is safe

- Personal contact information stays private. Phone numbers aren't exchanged between teachers, students, and parents.
- Messages can't be edited or deleted, so a complete message history is always available to access and download.
- Everyone has the ability to report users who violate Remind's Community Guidelines.
- Students under the age of 13 need to enter a parent or guardian's email address before using Remind. They can only receive messages from their teachers.
- **Standard text messaging and data rates may apply, so check to see if you're on a per-text phone plan or a limited data plan. (We may also use your email address) You may also download the app.**
- Please fill out the bottom portion and return to our office. We will sign you up and you will receive a message two weeks before classes begin.

Estamos usando "REMIND"!

Estos mensajes rápidos y simples pueden ayudarlo a usted y a su estudiante a mantenerse informados sobre:

- Tareas
- Anuncios importantes
- Cambios de horario
- ¡Y más!

Remind es seguro

- La información de contacto personal se mantiene privada. Los números de teléfono no se intercambian entre maestros. estudiantes y padres.
- Los mensajes no se pueden editar ni eliminar, por lo que siempre se puede acceder y descargar un historial completo de mensajes.
- Todos tienen la capacidad de informar a los usuarios que infringen los Lineamientos de la comunidad de Remind.
- Los estudiantes menores de 13 años deben ingrese la dirección de correo electrónico de un padre o tutor antes de usar Recordar. Solo pueden recibir mensajes de sus maestros.

"2021-2022"

TO: All Parents and Guardians

FROM: St. Philomena Religious Education Process

SUBJECT: ***Empowering God's Children and Young People©"Safety Program***

DATE: September 2021

We at **St. Philomena Religious Education Program** are committed to the safety and well-being of your children and in helping to empower them to protect themselves from child sexual abuse.

The *Empowering God's Children and Young People© Safety Program* is provided by the Archdiocese of Los Angeles as an ongoing effort to educate children and young people through classroom lessons and activities on ways to maintain their own personal safety. For the 2021–2022 school year we will be presenting **Year Two: Boundaries & Bullying.** It is based on catechetical principals to help them know they are loved by God and that He wants them to be healthy and safe.

Each lesson has a "Parent/Guardian Take Home Activity" to help you discuss this important topic with your child. Also included is a parent/guardian internet safety article that will provide valuable information on ways you can help protect your child online.

If you have questions, need any additional information about the program or would like to review any of the materials, please feel free to contact Rosa Garcia at (310) 830-6180 ext. 333 or rmgrosa@yahoo.com or for Confirmation or Youth Ministry to Justin Fontenot at (310) 830-6180 ext. 337 or by email to justinfontenot619@gmail.com
